

A cement-effect porcelain tile collection whose carefully conceived patterns highlights the shade variation on each tile. The field tiles, available in a choice of four colours (beige, taupe, silver and grey), emulate the flaws and colour changes brought about by salts in cement, guaranteeing a distinctive personality. As well as inter-combining the different field tiles, they can also be matched with their décors. These are strongly evocative of 1920s Art Deco, with the same design as the field tiles overlaid with linear geometries. All the models in the Buho collection come in a 22.3x22.3cm format.

Colección porcelánica de aspecto cementado y cuidada gráfica, que resalta la destonificación de cada pieza. La piezas base se presentan en cuatro tonos diferentes (Beige, Brown, Silver y Grey) y hacen especial referencia a las imperfecciones y destonos que producen las sales en el cemento, consiguiendo así un producto distintivo y con carácter. Sus bases, además de ser altamente combinables entre si, cuentan con las referencias decoradas con geometrías inspiradas en el estilo Art Decò de los años 20, que combinan la gráfica de las bases con motivos gráficos lineales. Todas las referencias de la colección BUHO se presentan en formato 22.3x22.3 cm.
