La estética de la piedra Sahara Noir llevada a mates. Un diseño minimalista y sofisticado, con acabado en negro como señal de fidelidad al mármol original; y versiones en pearl y grey, colores de tendencia en la decoración. Sobre su fondo oscuro, como un cielo negro y despejado, destacan las remarcadas vetas en blanco, aportando luz y dinamismo al conjunto.

La colección incluye un relieve en forma de arcos. Un diseño muy trabajado desde su fondo en abujardado al detalle de la onda que permite a los espacios ser distintos y huir de lo establecido.

The aesthetic of the Sahara Noir with a matt finish. A minimalist and sophisticated design, its black finish shows kinship with the original colour of marble; while versions in pearl and grey employ colours which are currently trending in the world of decor. White veins appear against a dark background, like a cloudless dark sky, bringing light and dynamism to the piece.

The collection includes an arched relief. A very elaborate design, from the bottom which has been worked with a bush hammer to the wave detail on the surface, letting each space surprise and shine in its own right.
