La colección Loom de APE combina la magia de las texturas del hiperrealismo con la funcionalidad más sugerente. Diseñada para sentir la calidez de los tejidos naturales. Inspirada en la pureza y suavidad de la gama cromática que las protagonizan. Siente como la naturaleza se desliza en cada producto, fruto de la metamorfosis entre las fibras más primitivas y los diseños más avanzados.

The Loom collection from APE combines the magic of hyper-realism textures with the most stimulating functionality. Designed to feel the warmth of natural fabrics. Inspired in the purity and softness of the chromatic range they display. Feel how nature slips into each product, the fruit of a metamorphosis between the most primitive fibres and the most avant-garde designs.

CARPET SERIES

Atractivos diseños junto a una textura hiperrealista dan lugar a una superficie cálida y agradable al tacto. La sofisticación del acabado es la principal protagonista de esta sorprendente serie.

Attractive designs together with a hyper-realist surface give rise to a warm and pleasant finish. The final touch is the leading protagonist of this surprising series.
